TUITION/FEES: \$7,200.00 direct costs
TEXTBOOKS: \$915.00 indirect costs
TESTING FEES: \$120.00 indirect costs

TOOLS: \$1,099.10 indirect costs

\$9,334.10

NOTES:

The cost of attendance includes direct and indirect costs. Direct costs are fixed expenses that are paid directly to the school (tuition and fees). Indirect costs may not be paid directly to the school (books, supplies, tools, uniforms, testing fees, etc).

Tennessee College of Applied Tech - Athens DOES NOT participate in ANY Federal Student Loan Programs or Federal Work Study Programs.

Tuition prices are set by the Tennessee Board of Regents. Tuition costs are subject to increase in either May or September.

The school reserves the right to change required textbooks and prices as deemed necessary due to price increases from the book companies and changes in the curriculum.

To apply for Financial Aid, complete the FAFSA at studentaid.gov. Create a TSAC Student Account at https://www.collegefortn.org/tsacstudentportal/. Enter the School Code 005358 for both. You must file a FAFSA for every year financial aid is needed.

If you need assistance completing your FAFSA or have questions, please contact Darlene White at the Educational Opportunity Center at (423) 435-8442 or by email at jwhit195@utk.edu.

The FAFSA determines a student's financial need. Not all students have the same financial need. Every student's FAFSA is unique and specific to their financial situation.

TN Promise or TCAT Reconnect are last dollar grants and scholarships. They will only pay for tuition and mandatory fees after any other federal and state financial aid have been awarded. They will not pay for books, special academic fees, tools, uniforms, supplies, testing fees, etc.

Not all students receive enough in Financial Aid to pay for indirect costs (books, tools, supplies, uniforms, etc.). Only students who receive enough money from a Pell grant that would generate an overpayment against their direct costs (tuition and fees) could have money that can be used for indirect costs.

For additional financial aid assistance eligibility, please see the financial aid office for a referral to the WIOA program.
