<b>TOTAL <u>ESTIMATED</u> COST FOR 5th TRIMESTER</b>		<b>\$1,440.00</b>

## TOTAL ESTIMATED EXPENSES

<b>TUITION/FEES:</b>	<b>\$7,200.00</b>	direct costs
<b>TEXTBOOKS:</b>	<b>\$370.00</b>	indirect costs
<b>TOOLS &amp; CALCULATOR:</b>	<b>\$1,049.29</b>	indirect costs
	<b>\$8,619.29</b>	

### NOTES:

The cost of attendance includes direct and indirect costs. Direct costs are fixed expenses that are paid directly to the school (tuition and fees). Indirect costs may not be paid directly to the school (books, supplies, tools, uniforms, testing fees, etc).

Tennessee College of Applied Tech - Athens DOES NOT participate in ANY Federal Student Loan Programs or Federal Work Study Programs.

Tuition prices are set by the Tennessee Board of Regents. Tuition costs are subject to increase in either May or September.

The school reserves the right to change required textbooks and prices as deemed necessary due to price increases from the book companies and changes in the curriculum.

To apply for Financial Aid, complete the FAFSA at [studentaid.gov](http://studentaid.gov). Create a TSAC Student Account at <https://www.collegefortn.org/tsacstudentportal/>. Enter the School Code 005358 for both. You must file a FAFSA for every year financial aid is needed.

If you need assistance completing your FAFSA or have questions, please contact Darlene White at the Educational Opportunity Center at (423) 435-8442 or by email at [jwhit195@utk.edu](mailto:jwhit195@utk.edu).

The FAFSA determines a student's financial need. Not all students have the same financial need. Every student's FAFSA is unique and specific to their financial situation.

TN Promise or TCAT Reconnect are last dollar grants and scholarships. They will only pay for tuition and mandatory fees after any other federal and state financial aid have been awarded. They will not pay for books, special academic fees, tools, uniforms, supplies, testing fees, etc.

Not all students receive enough in Financial Aid to pay for indirect costs (books, tools, supplies, uniforms, etc.). Only students who receive enough money from a Pell grant that would generate an overpayment against their direct costs (tuition and fees) could have money that can be used for indirect costs.

For additional financial aid assistance eligibility, please see the financial aid office for a referral to the WIOA program.

## TOOL LIST

**All tools are not required on the 1st day of class.  
 Students will be required to have all tools by the end of their 1st Trimester.**

Item Description	Part Number	Quantity	Cost	Total Estimated Cost
Safety Glasses	01095298	1	\$ 4.41	\$ 4.41
6" Steel Rule Graduated in 4R	15521255	1	\$ 6.05	\$ 6.05
Inch Screw Pitch Gauge	28795540	1	\$ 19.96	\$ 19.96
Metric Screw Pitch Gauge	28795144	1	\$ 17.00	\$ 17.00

<b>1st TRIMESTER ESTIMATED TOOL COST: \$</b>				<b>924.29</b>

Please check with the instructor prior to purchasing tools.

The part numbers shown are from MSC. You can go on their website, [www.mscdirect.com/](http://www.mscdirect.com/), enter the part number into the search box and see the item.

Items that are marked BEST, BETTER, FAIR are listed as options because each students' financial needs are different. Items that are in the BEST category are the preferred tools. Just remember, quality lasts.

A notebook and pen or pencil will be required.
